## About our Office

We strive to provide exemplary care for your rheumatologic needs in a respectful and caring environment.

We reserve 20 minutes per appointment for all follow up visits and 60 minutes for your first new patient visit.

You will receive 2 appointment reminders (text, email, phone). Please confirm your appointment. There is a \$50 fee for No-shows or cancellations with less than 24 hours notice.

### **We are available in the office:**

Monday – Friday  
9 – 4:45 PM

## Improving the Quality of Your Care

We are asking all patients to complete the Rapid 3 questionnaire to improve the quality of your visit.

Please have all labs drawn 1-2 weeks prior to your appointment. This will allow us to proactively obtain all relevant records, labs and other diagnostic information in advance of your visit, so that Dr. Karamlou can be most prepared for the time spent with you during your scheduled appointment.

If you have seen **another provider** or specialist since your last visit with Dr. Karamlou, please **bring a copy of the notes from that visit and any labs or tests** ordered by that provider.

***Labs will be discussed at your appointment, and will no longer be discussed over the phone.***

***Patients may be scheduled with Dr. Karamlou or Diane, our Nurse Practitioner depending on practice need and schedule availability. Nurse Practitioners are a necessary and integral part of our practice. They work together and discuss all patients, results and treatment plans.***

If you have any questions, please ask for Pam, Practice Manager.
