

# Physician-Referral Locations for COVID-19 Drive-Up Testing

Hoag is now providing two locations with drive-up COVID-19 testing for medical staff members to refer patients who meet the screening criteria outlined below. Only patients that have been screened by their primary care physician may be referred to these testing centers.

**Hours of Operation: 9:00 a.m. to 4:00 p.m., 7 Days a Week**

## Patient Criteria for Testing

- ✓ Fever or acute respiratory illness AND close contact with confirmed COVID-19 patient
- ✓ Fever and acute respiratory illness AND developed symptoms within 14 days of returning from a country on the CDC list of Level 2 or 3 travel health notices
- ✓ Fever and severe acute lower respiratory illness requiring hospitalization and without an alternative explanatory diagnosis, regardless of travel or exposure history

*If testing is indicated, referring provider must complete the “Physician Pre-Screen and Voucher for COVID-19 Test Only Visit” and a completed lab requisition. Fax completed documents to 949-764-1116 or email to [DriveUpCovidTesting@Hoag.org](mailto:DriveUpCovidTesting@Hoag.org).*

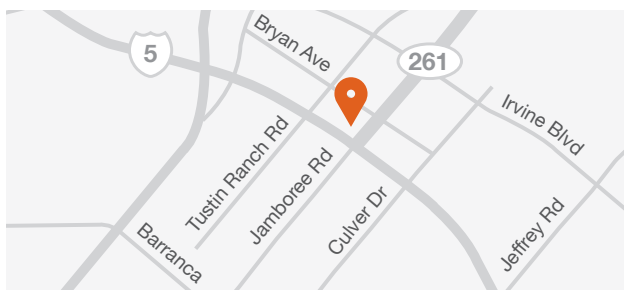

## Additional Guidelines and Resources:

- Physicians with questions about this process can call the **Physician COVID-19 Hotline at 949-764-1115**. This number is for physicians only.
- Patient COVID-19 Information Hotline is: 949-791-3000
- Patients needing full service urgent care services are still able to be evaluated but we ask that you notify us in advance, so we can meet them at their car to escort them inside.
- Hoag Urgent Care locations can be found at <https://hoagurgentcare.com/locations/>
